

Superior Court of California
County of San Joaquin

BARGAINING UPDATE #1

AUG. 7, 2024

SEIU 1021

The bargaining team met with management today. It got off to a slow start this morning, but we made it through! We came prepared with 7 non-economic proposals, and the Court brought 9 non-economic proposals to the table. We agreed on the ground rules and tentatively agreed on 8 of the Court's proposals. All the proposals were clean-up language as well as bringing the contract up to date with current law.

Over the next three sessions, we will receive the judicial council budget presentation and Linda Courtright's (CFO) budget presentation. Then, we will be able to develop our economic proposals.

Thank you to everyone who sported their purple today. We felt the support from way up here, and we appreciate each and every one of you!

Stronger together!
Your bargaining team

WE SCHEDULED THE NEXT THREE BARGAINING DATES:

- **AUGUST 21**
- **AUGUST 29**
- **SEPTEMBER 5**
