

# AIRBNB, STOP THE GREED!

TUESDAY, APRIL 22 @ 12PM  
SF SUPERIOR COURT, 400 MCALLISTER ST

Airbnb is suing the City and County of San Francisco in an attempt to cheat their taxes and claw back **over \$120 million** from public service funding. The City is setting aside most of this money in case Airbnb gets their way. Our Muni lines, hospitals, libraries, homeless services, and so much more are in danger if Airbnb doesn't pay up.

The hearing for their lawsuit is scheduled for April 22 at the SF Superior Court. We're rallying outside to tell Airbnb: **"Stop the greed! Drop the suit!"**
