Contract Bargaining Update, May 21, 2024

# Vote YES

## To Authorize a Strike

Your elected Bargaining Team has been meeting with management to bargain a new contract since January. Over that time, we have prioritized safety, staffing, and patient care. We've worked to address issues like recruitment, retention, and scheduling.

***Management has not responded to our proposal about safety.***

***Management has not given us an acceptable response on staffing. Management continues to violate our rights and refuses to provide information we've repeatedly requested.***

***Management has not given us an adequate proposal on wages. Our contract expires on May 31.***

**It's Time for Every Member to VOTE!**

Vote YES to authorize the Bargaining Team to call for a unfair labor practice strike if it becomes necessary, so we can win a strong contract that protects our rights, addresses our issues, and ensures patients receive adequate care.
