

MENDOCINO COUNTY CHAPTER TENTATIVE AGREEMENT REVIEW & VOTE

The Bargaining Team has reached a tentative agreement with the County's negotiating team for a new one-year contract . We will be holding a series of meetings throughout the County to review the provisions of the settlement, answer questions, and hold a ratification vote on the proposed settlement.

You must be a member of the union in good standing to participate in the ratification vote, but you can join up at the meeting. Make sure to attend one of these important presentations!
