Coverage for the spouse/registered domestic partner will be for a maximum of 15 years, or to age 65, whichever occurs first. years, or to age 65, whichever occurs first. Dependent children are covered until age 26 or as required by legal mandate. Retiree coverage will mirror the benefit package provided to active plan participants

Employees retired after June 30, 2024 who wish to maintain dependent coverage after attaining Medicare eligibility:

Upon Medicare eligibility, the retiree is responsible for associated premium for subscriber's (retiree's) Medicare supplemental coverage as determined by the premium structure of the particular plan year. 10.2 Materials in personnel files of employees which may serve as a basis for affecting the status of their employment are to be made available for inspection of the person involved.

Such material is not to include ratings, reports, or records which (1) were obtained prior to the employment of the person involved, (2) were prepared by identifiable examination committee members, or (3) were obtained in connection with a promotional examination.

10.3 Every employee shall have the right to inspect such materials upon request, with the presence of a Human Resources employee, provided that the request is made at a time when such person is not actually required to render services to the employing District, unless otherwise agreed to by the District.

10.4 Any adverse comment, except material mentioned in 10.2 of this section, shall not be entered or filed unless and until the employee is given notice and an opportunity to review and comment thereon.

10.4.1 An employee shall have the right to enter, and have attached to any adverse comment his own comments thereon. Such review shall take place during normal business hours, and the employee shall be released from duty for this purpose without salary reduction.

10.4.2 Human Resources shall forward to all employees, a copy of any adverse comment to be placed in their personnel file, to be accompanied by a statement indicating that the document will be held for ten (10) working days from the date the copy is

sent. During this time, the employee may submit any written comments regarding the document to Human Resources which shall be attached to the document and placed in the employee's personnel file. If no written comments are received, the document will be placed in the employee's personnel file at the end of the ten (10) working days.

10.4.3 Also, during the ten (10) working days the originator of the document may elect to withdraw the request to have the document placed in the employee's personnel file and it shall be withdrawn.

10.4.4 An employee who chooses not to submit written comments within the ten (10) working days, does not waive their right to have written comments attached to that particular document. An employee may attach written comments to any document in their personnel file at any time during normal working hours.

ARTICLE 11 – HOURS OF EMPLOYMENT

11.1 Work Year

The annual work year for less than 12 month Classified employees shall be set each year by the supervisor after consultation with the Classified employee, subject to final approval by the next-level supervisor.

11.2 Work Day/Work Week

The standard, permanent work week for full-time Classified employees is five (5) consecutive days, eight (8) hours per day, forty (40) hours per week. Specific work days and hours will be designated by the District upon employment. The District reserves the right to set work schedules, but will respect whenever possible the requests of the employee. Any reduction in work hours shall be accomplished in accordance with the Education Code.

When available, work schedules for STNC employees shall be communicated to employees before the start of the work week. It is understood that in some circumstances STNC schedules may need to change or hours may need to be added or subtracted based on District needs.

11.3 Alternate Work Schedules

To arrange a schedule different from Section 11.2, the supervisor will first consult with the Director of Human Resources. Employee requests, business necessity and the impact on services and other departmental employees will be considered. The supervisor will review the request with the appropriate Vice President, and, if approved, will send a written notice regarding the change to Human Resources. While working an alternate schedule, it is understood that there may be occasions when the employee will be expected to work on their off day to participate in meetings, trainings, and other important District events. An alternative work schedule is not a permanent arrangement and is subject to annual review. When working an alternate schedule which exceeds eight (8) hours in one day, daily overtime rules will only apply when working beyond the established daily scheduled hours.

11.4 Lunch Periods

All employees shall be entitled to a duty-free lunch period. The length of time for such lunch period shall be for a period of no longer than one (1) hour nor less than one-half (.5) hour and shall be scheduled for full-time employees at, or near midpoint of each work shift. If an employee is directed to work during their lunch period, such time shall be taken as close to the immediate hour after the regularly scheduled lunch period as possible.

11.5 Rest Periods

All employees shall be granted rest periods, which, insofar as practical, shall be in the middle of each work period at the rate of fifteen (15) minutes per four (4) hours worked. The time of such rest periods shall be established by the immediate supervisor. Rest periods are a part of the regular work day and shall be compensated at the regular rate of pay for the employee. The rest period may not be used to shorten the work day or make up lost time.

11.6 Overtime

11.6.1 Overtime is defined to include any time in excess of eight (8) hours in any one day, or in excess of forty (40) hours in any calendar week, except when an alternate schedule is adopted (Section 11.3). Overtime hours must be authorized by the supervisor and next-level supervisor in advance and will be compensated at 1.5 times the employee's regular pay rate, or compensatory time off at the rate of one-and-one-half (1.5) hours per hour worked. The method by which all overtime shall be compensated (cash or compensatory time off) shall be at the discretion of the District; however, an employee may indicate a preference as to the method of compensation. Employees who work six consecutive days or more will be compensated at 2.0 times their regular pay rate when working over forty-eight (48) hours during that time.

11.6.2 All hours worked on holidays designated by this Agreement shall be compensated at two and one-half (2.5) times the regular rate of pay.

11.6.3 Compensatory time shall be taken at a time mutually acceptable to the employee and the District within three (3) months of the date on which it was earned. If the employee is specifically not permitted to take the compensatory time within the three (3) month period, then the employee shall be paid in cash. The denial to the employee of using the compensatory time within three (3) months after its accrual must be in written form to Human Resources from the immediate supervisor and approved by the applicable Vice President, with justification for denial.

The maximum amount of compensatory time off which may be accrued shall be 240 hours. Employees who have accrued 240 hours of compensatory time shall be paid overtime compensation in cash for any additional overtime hours of work.

11.6.4 If an employee is REQUIRED to attend a conference or workshop, he or she shall earn overtime if attendance at the conference or workshop plus travel time to and from it exceeds eight (8) working hours. Required attendance must have prior written approval of the immediate supervisor and the applicable Vice President.

11.7 Minimum Call-in Time

A Classified employee called in to work on a day when the employee is not scheduled to work shall receive a minimum of two (2) hours pay at the appropriate rate of pay under this Agreement.

11.8 Minimum Call-back Time

11.9 Right of Refusal

A bargaining unit member shall have the right to refuse an offer of, or request for, overtime, call-back, or call-in time except in the case of extreme need. Where an extreme need is declared to exist that threatens to halt, impede or impair the operation of the college, the bargaining unit member is bound to comply.

12.3 A Classified employee must be in paid status on the working day immediately preceding or succeeding the holiday to be paid for the holiday.

12.4 Additional Holidays: Any day proclaimed by the President of the U. S. or Governor of this State as a holiday, or any day declared a holiday by the Governing Board, shall be a paid holiday for all Classified employees in the bargaining unit.

12.5 When a holiday falls within the scheduled vacation of any Classified employee, such holiday shall not be counted against the employee's vacation entitlement.

12.6 Part-time Employees

12.6.1 Part-time Classified employees are entitled to all holidays granted by the District, which shall be prorated in the same ratio as the number of hours per week bears to a full-time assignment.

EXAMPLE A: A Classified employee working Monday through Friday 30 hours per week, 6 hours per day, shall be entitled to 6 hours per holiday (30 hours/week divided into 40 hours/week = 75% of an eight hour day = 6 hours).

EXAMPLE B: A Classified employee working Monday through Thursday 20 hours/week, 5 hours per day, shall be entitled to 4 hours per holiday (20 hours/week divided into 40 hours/week = 50% of an eight hour day = 4 hours)

Since the amount of holiday leave to which part-time Classified employees working less than five days per week are entitled will be different than the scheduled work day, holiday leave for these employees will be applied as follows:

- If a holiday falls on a regularly scheduled work day, the Classified employee is entitled to their prorated share of holiday leave. Additional time off for that day may be charged to any paid leave time the employee may have accrued, or the week's work schedule may be adjusted to make up the additional time off.
- If a holiday falls on a day which is not a regularly scheduled work day, the Classified employee may accrue this time off and take it at a later date.

In the event of a deceased Classified employee, payment therefore shall be made to their estate or as otherwise provided by probate law.
- 13.6** A Classified employee may not accumulate more vacation time than the amount which can be earned in a two (2) year period. It is the Classified employee's responsibility to monitor their vacation balance so as to not reach their maximum and stop accruing vacation time. Balances are

reflected on paystubs. If the Classified employee is specifically not permitted to take vacation time and this denial would result in a loss of vacation time, the Classified employee shall be paid in cash for the days which would have been lost. The denial to the Classified employee of using vacation time within this period of time must be in written form to Human Resources from the immediate supervisor and approved by the applicable Vice President with justification of denial.

- 13.7** Earned vacation shall not become a vested right until completion of the initial six (6) months of regular employment. Vacation may not be used during the probationary period.

A probationary Classified employee leaving before being classified as a permanent employee will receive no vacation day payout.

- 13.8** Holidays are not counted as vacation days.

- 13.9** If a Classified employee's vacation becomes due during a period when on leave due to illness or injury, the Classified employee may request that the vacation date be changed and the District, subject to mutual agreement, may grant the request in accordance with vacation dates available at the time.

- 13.10** If a Classified employee while on vacation becomes seriously ill, requires hospitalization, or is eligible for bereavement leave, the Classified employee may request that these dates be changed to either sick leave or bereavement leave and the District, upon the receipt of appropriate supporting documentation, shall grant the request.

of forty-eight (48) leave hours by submitting an irrevocable leave cash out election form to Human Resources by no later than December 15.

The leave hours identified in the irrevocable leave cash out election form to be cashed out shall be deducted from vacation leave hours accrued in the following calendar year and shall be paid out in December of the following calendar year at the employee's base hourly rate of pay at the time of cash out.

The remaining unused vacation leave shall remain in the vacation leave bank and may not be less than 120 hours after the cash out. At the time of cash out in December of the following year, if the Classified employee has less vacation leave hours in the vacation leave bank than the amount identified (with a remaining balance at or above 120) in the irrevocable leave cash out form, then the amount of vacation leave remaining in the vacation leave bank shall be cashed out.

22.8.7 Appeal Hearing:

A. The hearing shall be conducted by an arbitrator who shall be mutually agreed upon by the parties or selected from a list of arbitrators obtained via a joint request to the State Mediation and Conciliation Service. The arbitrator shall be

selected from the list by the parties alternately striking names with the first strike determined by chance.

- B. The hearing shall be scheduled as soon as possible after the arbitrator is agreed upon and appointed.
- C. The decision and award of the arbitrator shall be made solely upon the evidence and arguments presented to the arbitrator by the respective parties. Offers and concessions for settlement made prior to the hearing shall not be admissible in arbitration.
- D. The decision of the arbitrator shall be advisory. The Board of Trustees shall act to accept or reject the arbitrator's decision within 45 days of receipt of the decision. The decision of the Board shall be in writing, and include a finding of facts and justification for the decision. The decision of the Board shall be final. An employee not satisfied with the final decision of the Board may resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to them.
- E. The cost of employing the arbitrator and court reporter shall be borne equally by the Union and the District. All other costs such as, but not limited to, attorney's fees, witness fees, and transcript fees shall be borne only by the party incurring the cost. Employees of the District called to testify at a hearing by either party shall do so on work time if said testimony coincides with the employee's regular work schedule.
- F. The final notice of disciplinary action to be imposed shall be given to the employee in writing by certified mail or personal delivery.

22.9 The parties may mutually agree to alternative methods of resolving disciplinary matters, including but not limited to mediation and informal hearings prior to submitting a disciplinary matter to arbitration.

22.10 Disciplinary actions shall be governed solely by the provisions of this article and shall not be subject to the Grievance Procedure except as related to protected activities as described in the article on Protected Union Activity included in this contract.

ARTICLE 23 – CLASSIFICATION/RECLASSIFICATION

23.1 New Job Classification

23.1.1 The District and the Union shall negotiate a wage rate for new job classifications within the unit. If mutual agreement is not reached within 30 days, the District may proceed to fill the position. Once the wage rate is established, it shall be retroactive to the hire date of the affected employee.

23.2 Reclassification Review Procedure

23.2.1 A "reclassification" is the upgrading of a position to a higher classification as a result of a change in responsibilities performed by the employee in such position. This procedure determines if the employee is working outside of the existing classification, and if so, whether the position will be reclassified or the responsibilities adjusted to conform to the existing classification. The Superintendent/President has the authority to adjust the responsibilities of a Classified employee to conform to the existing classification at any time. Prior to taking any action, the District will consult with the Mendocino-Lake Community College Classified Bargaining Unit, SEIU Local 1021.

23.2.2 The reclassification review procedure may be initiated by a Classified employee or immediate supervisor when an employee completes their portion of the reclassification review form (Exhibit E) and forwards it to the immediate supervisor by February 1st.

23.2.3 The District reserves the right to implement this procedure at any time to meet the staffing and organizational needs of the District; i.e., reorganization.

- 23.2.4** The immediate supervisor will have ten (10) working days to complete the supervisor's section of the reclassification review form (Exhibit E) and forward it through administrative channels to the Vice President of Academic Affairs, Vice President of Student Services, Assistant Superintendent/Vice President of Administrative Services, or Superintendent/President if a department reports to them. The Vice President will have ten (10) working days to complete the comment section of the reclassification review form. The Vice President will forward the form to the Director of Human Resources by April 1st.
- 23.2.5** The Director of Human Resources will review the reclassification review form (Exhibit E) and request additional information as needed until it is complete.
- 23.2.6** By April 30th, or as soon thereafter as possible, the information will be forwarded to a consultant for review and a recommendation.
- 23.2.7** When the recommendation is received, the Director of Human Resources will notify the negotiations committee of the recommendation.
- 23.2.8** By May 30th, or as soon thereafter as possible, the Director of Human Resources will notify the employee, immediate supervisor, appropriate administrators, and the Superintendent/President of the recommendation.
- 23.2.9** The employee and/or immediate supervisor may put an appeal in writing to the Director of Human Resources indicating the reasons why the recommendation should be reconsidered. This appeal must be delivered to the Director of Human Resources within 15 working days of the notification provided in 23.2.8.
- A. The Director of Human Resources will review the appeal, request additional information as needed until it is

complete, and forward the appeal to a consultant for a final recommendation.

- 23.2.10** The Superintendent/President will determine if a recommendation for reclassification will be made to the Governing Board.
- 23.2.11** The Governing Board will approve all reclassifications.
- 23.2.12** For compensation purposes:

 - A. Reclassifications will be effective on July 1st following initiation of the reclassification review. In the case of a District-initiated review, however, the effective date will be upon approval of the Governing Board, but not longer than five months from the initiation date of the reclassification review.
 - B. Reclassifications will be implemented pursuant to the salary article of this contract.
- 23.2.13** A position may not be considered for reclassification until two years have passed since the previous reclassification effective date, unless District initiated by the Director of Human Resources.

TIMELINE

PRIOR TO FEBRUARY 1	Reclassification review forms are available from Human Resources
FEBRUARY 1 FORWARD	The employee completes a reclassification review form and forwards it to the immediate supervisor for review, comment, and signature.
APRIL 1	Completed reclassification review forms are submitted to the Director of Human Resources by the applicable Vice President or the Superintendent/President.

JULY	The Superintendent/President presents a recommendation for any reclassifications to the Governing Board.

ARTICLE 24 – LAYOFF PROCEDURES

24.1 Definitions

24.1.1 "Layoff" is an involuntary reduction in months per year or hours per week or separation of employment due to lack of work or lack of funds.

24.1.2 "Voluntary layoff" is when a Classified employee volunteers for a reduction in months per year or hours per week, transfer, or reassignment in lieu of layoff.

24.1.3 "Seniority" is the number of hours in paid status in a classification, plus equal or higher classifications, excluding overtime hours. A Classified employee who is promoted, reassigned, transferred, or reclassified to another classification shall retain their seniority in the former classification. Seniority in the new classification will begin accumulating on the date of the promotion, reassignment, or reclassification.

24.1.4 For the purpose of layoff STNC employees shall not be retained in preference to permanent employees. For the purpose of reemployment rights STNC employees shall not be reemployed in preference to permanent employees.

24.2 Applications

24.2.1 Human Resources will maintain a seniority list.

24.2.2 The Classified employee with the least seniority in the affected classification, plus seniority accrued from serving in an equal or higher classification, will be laid off first.

24.2.3 In the event of a tie, first preference will be given to the employee with the earliest hire date as a Classified employee.

Should a tie still exist, the employees will draw lots to determine preference.

24.2.4 Classified employees to be laid off may exercise bumping rights in their classification or any lower classification in which they served and hold seniority greater than an incumbent. The Classified employee bumped shall be the one with (1) equivalent or fewer average weekly assigned hours, and (2) the least seniority in the class plus equal or higher classes. A Classified employee displaced from their classification as a result of being bumped may exercise any bumping rights to which they are entitled.

Example:

<u>Employee</u>	<u>Hours in Class Plus Equal or Higher Classes</u>	<u>Current Average Weekly Assigned Hours</u>
A	1,000	40
B	900	19
C	800	30
D	750	40
E	700	40
F	600	40
G	500	19

If position A is eliminated, Employee A bumps Employee F. Employee F, who is displaced by Employee A, may then bump Employee G. Employee G would have no bumping rights.

24.2.5 A Classified employee will maintain seniority to a job they previously held which was subsequently reclassified, provided minimum qualifications can still be met, the majority of duties remained the same, and the Classified employee can reasonably be expected to become proficient in the new job duties within six weeks of the job.

24.2.6 If a Classified employee accepts a position in a lower classification in lieu of layoff, they will be placed on a step which is nearest to, but not higher than, the salary they was earning in the former classification.

24.3 Notice

24.3.1 A written notice of layoff shall be given to the affected Classified employee no later than 60 days prior to the effective date of the layoff. The notice shall contain:

- A. The employee's bumping rights, if any;
- B. The employee's reemployment rights; and
- C. The employee's right to discuss the layoff with the Director of Human Resources.

24.3.2 Notice may be waived in the event of an actual and existing financial inability to pay salaries of Classified employees.

24.4 Reemployment Rights

24.4.1 The names of Classified employees laid off shall be placed on a reemployment list in the reverse order of layoff for 39 months from the date of layoff. Classified employees who select voluntary transfer, reassignment or reduction in months or hours in lieu of layoff shall be placed on the reemployment list for an additional 24 months.

24.4.2 Reemployment shall be in the reverse order of layoff.

24.4.3 Individuals will be sent a written offer of reemployment and will have ten (10) working days from the date of the offer in which to accept it.

24.4.4 An individual on the reemployment list may decline two (2) offers of reemployment in their former classification. Thereafter, such individual must notify the District in writing of their desire to be reactivated on the reemployment list.

24.5 Retirement in Lieu of Layoff

- 24.5.1** A Classified employee may elect to retire in lieu of layoff. Within ten (10) working days prior to the effective date of the proposed layoff, the Classified employee must submit a copy of a completed retirement form to Human Resources.
- 24.5.2** A Classified employee who elects Retirement in Lieu of Layoff shall be placed on the reemployment list. If the Classified employee declines one (1) offer of reemployment in their former classification, they will be considered permanently retired from the District.

24.6 Miscellaneous

- 24.6.1** The District will notify the Mendocino-Lake Community College Classified Bargaining Unit, SEIU Local 1021, prior to any notice of layoffs being given.
- 24.6.2** The District will provide Mendocino-Lake Community College Classified Bargaining Unit, SEIU Local 1021, with a current seniority list at such time as any layoff is initiated.
- 24.6.3** The decision to lay off employees is not subject to grievance.
- 24.6.4** Classified employees reinstated after layoff shall be reinstated with all rights to which they were entitled at the time of layoff, pursuant to the then current labor agreement.

ARTICLE 25 – SEPARABILITY AND SAVINGS

- 25.1** If any provision of this Agreement or any application of this Agreement to any unit member or group of unit members is held invalid by operation of law or by a court or other tribunal of competent jurisdiction, such provisions shall be inoperative, but all other provisions shall not be affected thereby and shall continue in full force and effect.
- 25.2** Parties agree to meet within ten (10) work days for the purpose of determining and negotiating replacement provision(s) for any such provision held invalid.

ARTICLE 26 – COMPLETION OF AGREEMENT

- 26.1** This Agreement shall constitute the full and complete commitment between both parties. This Agreement may be altered, changed, added to, deleted from, or modified, only through the voluntary, mutual consent of the parties in a written and signed amendment to this Agreement.
- 26.2** Except as otherwise provided in this Agreement, the District and the Union expressly waive and relinquish the right to bargain collectively on any matter:
- 26.2.1** Whether or not specifically referred to or covered in this Agreement;
 - 26.2.2** Even though not within the knowledge or contemplation of either party at the time of negotiations; and
 - 26.2.3** Even though during negotiations the matters were proposed and later withdrawn.
- 26.3** Such waiver does not preclude bargaining collectively for subsequent, new collective bargaining agreements during the term of this Agreement.

ARTICLE 27 – DURATION

- 27.1** This contract shall have effect from July 1, 2021, and shall remain in force until June 30, 2024. Each party may re-open negotiations under the following articles: Article 6- Salary (Salary); Article 7 (Health and Welfare Benefits); and an additional two (2) articles each year.
- 27.2** The Union shall submit its initial proposal on reopened articles on or before September 15th of the preceding fiscal year. The District shall present its response at a meeting of the Board of Trustees on or before November 15th and negotiations shall commence within ten (10) days of the sunshining of the District's response.

Should the Union not submit an initial proposal as specified above, the District may submit an initial proposal on reopened articles on or before November 15th and the Union shall submit its response within 30 days of the presentation of the District's proposal. Negotiations shall then commence within 10 days of the sunshining of the Union's response.

The date for submittal of an initial proposal, a response, or commencement of negotiations may be changed by mutual agreement of the Union and the District.

Should neither the Union nor the District elect to submit an initial proposal as outlined above, the contract shall not be reopened for the subject fiscal year without the mutual consent of the parties.

- 27.3** The parties understand and agree that in executing this Agreement they are both intending to be bound in its provisions. The District, the Union and each unit member shall comply with all its terms and shall fully perform all obligations under this Agreement during the term of this Agreement.
- 27.4** Notwithstanding the provisions of this Article, if affected by a PERB Board decision, new legislation, final court decisions or if by mutual agreement of the parties, the parties shall meet and negotiate on appropriate topics.

ARTICLE 28 – EMERITUS STATUS

- 28.1** Classified employees who have served the District for fifteen years as a permanent employee shall be issued an identification card by the Classified association indicating emeritus status and access to the Fitness Lab, Library, Learning Center, Computer Lab, health screening, flex activities, and other such privileges consistent with those available to current employees.

ARTICLE 29 – PROTECTED UNION ACTIVITY

- 29.1** Unit members will not be discriminated against for exercising their right to engage in protected activities under the Government Code of the State of California.

MENDOCINO-LAKE COMMUNITY COLLEGE DISTRICT CLASSIFIED PERFORMANCE EVALUATION REPORT

PURPOSE

The purpose of this report is to provide the supervisor and employee with an opportunity to formally discuss job performance, including strengths and areas where improvement may be needed.

It is a supervisor's responsibility to discuss job performance in terms of the employee's job description and in terms of expected results. In doing so, each employee should feel successful and proud of their strengths and accomplishments, but also be aware of areas where performance needs improvement.

The employee will refer to the criteria included in the Classified Performance Evaluation Report and prepare a written self-assessment in each of the evaluation categories: Knowledge, Accuracy, Thoroughness, Accepts Responsibility, Plans and Organizes, Amount of Work Accomplished, Meets Deadlines, Employee/Student/Public Contacts, Safety Practices/Operation-Care of Equipment, DEIA awareness and commitment, and Attendance. The Classified employee shall address both strengths and areas where professional development may be needed. Additionally, include progress toward or achievement of objectives previously set for the evaluation period. Forward the self-evaluation to the immediate supervisor.

The Supervisor and Classified employee shall jointly develop goals and objectives for the coming evaluation period, including areas of desired professional development.

When completing the evaluation, the supervisor should note what has been achieved by the staff member during the evaluation period and how it has benefited the employee, the department, and the college.

Any comments about job performance improvement should not come as a surprise to the employee. Such things should be addressed as they arise and not "saved" for the evaluation. The employee should be encouraged to participate in the solution to any area where improvement might be needed, because commitment to change is essential for successful improvement in job performance.

By the end of the evaluation meeting, the employee should have a clear understanding and agreement of what is expected within the next evaluation period.

For assistance in completing an evaluation, the supervisor should contact the Director of Human Resources.

INSTRUCTIONS

1. **Pre-evaluation meeting:** The supervisor and employee shall meet to discuss the evaluation process. Goals and objectives for the coming evaluation period will be developed and be included in the Classified Performance Evaluation Report. Supervisor will also answer any questions the Classified employee may have about completing their self-evaluation.
2. **Self Evaluation:** The Classified employee will have 5 working days to complete the self-evaluation

form (Exhibit D.2) and submit back to the supervisor.

3. **Reference the Job Description:** For each area in the Classified Performance Evaluation Report, refer to the job description (Duties, Knowledge, Abilities) and address the employee's ability to meet each area as related to the job.
4. **Supervisor Rating:** Assign a rating of 1-4 for each standard, as explained on the evaluation report form.
5. **Supervisor Narrative:** Complete the second page of the evaluation report form as indicated.
6. **Next Level Supervisor Review:** Prior to finalizing the Report, meet with the next-level supervisor to review the employee's performance evaluation.
7. **Evaluation Meeting:** Discuss the evaluation with the employee; the goals and objectives for the coming evaluation period, including areas of desired professional development.
8. Discuss with the employee any specific plans for improving performance in areas which need to be strengthened.
9. The supervisor and employee then sign and date the form. A recommendation regarding permanency must be included if it is a probationary evaluation.
10. Forward the evaluation report to the next level supervisor and Vice-President for signature.
11. Forward the original to Human Resources for inclusion in the employee's personnel file.
12. The employee may wish to respond to the Performance Evaluation Report. If the employee responds, the next-level supervisor will provide a written response within 30 working days from receipt of the response by Human Resources.

REQUEST FOR RECLASSIFICATION**

SEE FOLLOWING PAGES

Mendocino Lake Community College District Request for Reclassification

A "reclassification" is the upgrading of a position to a higher classification as a result of change in responsibilities performed by the employee in such position. This procedure determines if the employee is working outside of the existing classification, and if so, whether the position will be reclassified or the responsibilities adjusted to conform to the existing classification. The Superintendent/President has the authority to adjust the responsibilities of a Classified employee to conform to the existing classification at any time. Prior to taking any action, the District will consult with the Mendocino-Lake Community College Classified Bargaining Unit, SEIU Local 1021.

The reclassification review procedure may be initiated by a Classified employee or immediate supervisor when an employee completes his/her portion of the reclassification review form and forwards it to the immediate supervisor by **February 1st**.

This form is to assist in determining if your position should be reclassified. Please answer all questions thoroughly; the more detailed and specific you are, the better the evaluators can understand the reason for your request. You may give examples and attach additional pages.

Please note:

- Positions are reclassified – not the employee
- Classification does not consider the capabilities of the individual or his/her efficiency
- Classification does not resolve performance problems
- Classification does not consider the amount of work performed.

In evaluating the information collected, evaluators will use a "whole job analysis" approach. With this approach, current duties and responsibilities are analyzed taking the following factors into consideration:

- Expertise required of the specific job
- Decision-making
- Supervision (received and exercised)
- Contacts
- Working conditions

These factors will be examined to determine whether or not a change in job classification or salary is justified.

In conducting a classification review, potential outcomes include:

- a change in classification to either a new or another existing classification;
- a change in salary with or without a change in job reclassification (salary realignment);
- or no change in either salary or job reclassification.

In order to justify a change, it is important that there be a material change in the type of duties assigned and/or the level associated with the assigned duties. An increase in the volume of work is not considered a justification, since this is ultimately a staffing issue; nor is individual job performance a consideration, since jobs are classified based on operational needs regardless of who holds the position. Further, jobs may change as a result of reorganization or redistribution of work assignments, or because of changing technology requiring the use of new and/or different tools. However, this does not necessarily mean that a change in classification is justified if the level of difficulty, complexity, and responsibility has not increased.
