

2025 Election Committee Clarification #1
(Posted on SEIU Local 1021 Website 10/17/24)

We are aware of the confusion regarding the zip code for the Election Committee's PO Box. The U.S. Post Office at 201 13th Street, Oakland, CA 94612, has one zip code for the facility and another for some Post Boxes; specifically, PO Box 30308 is assigned zip code 94604. The USPS Customer Relations Manager confirmed that any Nomination Petitions and Election Challenges sent to either zip code will reach the Election Committee's PO Box.

Additionally, we learned that USPS staff did not activate PO Box 30308 from October 3rd to October 11th, but this has been resolved. If any member submitted a Nomination Petition or Election Mail during that time and received it back as undeliverable, please mail in your petition and notify the Election Committee at
