An employee shall accrue sick leave at the rate of five (5) hours for each pay period of service.

11.2 USAGE

Employees are entitled to be paid for sick leave used, to a maximum of time accrued, under the following conditions:

- (a) The employee's illness or injury incapacitates him or her from performance of duties.
- (b) The employee's receipt of required medical or dental care or consultation.

Employees may use up to 50% of their annual sick leave accrual to care for their sick child, parent, spouse, registered domestic partner* or the child of a registered domestic partner. Medical verification may be required.

**A registered domestic partnership requires filing an Affidavit of Domestic Partnership with the Human Resources Department of the City of Piedmont.*

11.3 INTEGRATION WITH STATE DISABILITY INSURANCE

Sick leave may be supplemented with California State Disability Insurance, however, in no case will the employee be paid more than 100% of the normal salary.

11.4 SICK LEAVE BUYBACK

Effective April 4, 1997, the City amended its contract with PERS to provide sick leave credit of .004 year of service credit for each unused day of sick leave.

11.5 CATASTROPHIC LEAVE PROGRAM

Permanent employees represented by the SEIU Public Works Unit, may be eligible to receive donations of paid leave, to be included in the recipient employee's sick leave balance if he/she has suffered a catastrophic illness or injury which is defined as a serious medical condition considered to be terminal, a major physical impairment, or a family medical emergency (defined as a catastrophic illness or injury of a spouse, registered domestic partner, child or parent residing in the employee's household), subject to the following conditions:

- The recipient employee, recipient employee's family, or other person designated in writing by the recipient must submit a request to the City Administrator or designee.

- The recipient employee is not eligible so long as he/she has paid leave time available; however, the request may be initiated prior to the anticipated date that all leave balances will be exhausted.
- The recipient employee must provide a medical verification which meets the criteria above and a prognosis.
- Donations may be made in whole hour increments, and are irrevocable. The donor employee may donate vacation up to any amount, but the City may require that the donor employee retain 40 hours of vacation leave. Sick leave may be donated up to 24 hours in whole hour increments. Donations may be made from any individual employed by the Public Works Department.
- Time donated will be converted from the type of time donated to sick leave and credited to the recipient employee's sick leave balance on an hour-for-hour basis and shall be paid at the rate of pay of the recipient employee.
- Time donated in any pay period may be used in the following pay periods. No retroactive donations will be permitted.
- Eligibility for this program requires recommendation by the Public Works Director and approval by the City Administrator.

SECTION 12 - LEAVE

12.1 FUNERAL LEAVE

In the case of death within the immediate family of an employee, such employee shall be entitled to leave from duty with pay in order to attend the funeral or memorial service for a period of up to three (3) working days. The immediate family of an employee, for the purpose of this Section, shall be defined as: registered domestic partner, wife, husband, mother, father, sister, brother, child, grandmother, grandfather, mother-in-law, father-in-law, son-in-law, brother-in-law, daughter-in-law, sister-in-law and grandchildren. Family member shall include a domestic partner of the employee who has resided with the employee for more than three (3) months and for whom a domestic partner filing has been made on a mutually agreed upon form.

Leave of absence with pay because of death in an employee's immediate family is allowed and such leave shall not be charged against vacation or sick leave which an employee may be entitled to, but may be in addition thereto.

In the event of a death in the employee's family outside of the immediate family as provided above, an employee may apply to the City Administrator and request funeral leave to attend the memorial service.

12.2 LEAVE OF ABSENCE WITHOUT PAY

An employee desiring a leave of absence without pay from his/her employment for any reason shall secure written permission from the City Administrator. Unless otherwise

provided by law, the City Administrator has the discretion whether or not to grant a leave of absence without pay.

During any approved leave of absence the employee shall not engage in gainful employment unless authorized to do so by the written permission of the City Administrator. The City Administrator may terminate any employee who violates the terms and conditions of the written permission for leave or extension thereof. The maximum leave of absence shall be for one (1) year.

12.3 **MILITARY LEAVE**

Employees who are called upon to perform active annual training duty or temporary special services as a member of an Armed Forces reserve and who lose time from their regular scheduled workweek shall be paid the difference between the pay received from the federal or state government for such reserve duty and their normal weekly earnings not to exceed two (2) weeks annually.

12.4 **JURY DUTY**

An employee required to serve as a juror in a civil or criminal action pending in a Superior, Municipal or Justice Court of the State of California or any Federal Court convening in the State of California or any employee required to report for the selection of a jury in any of these courts shall receive pay for the time such service requires his absence from work; provided, however, that the City may require proof of the time such service was required and any monies received from jury service shall be remitted to the city; provided, further, that the employee shall report to work if released from jury service prior to 5:00 P.M. and does not have to report for jury service the following day. An employee required to serve as a juror shall not have his or her regular starting or quitting time changed as a result of being called for jury service.

12.5 **PREGNANCY DISABILITY LEAVE**

Pregnancy Disability Leave shall be granted in accordance with federal, state and local law. Pregnancy disability leave is a leave of absence necessitated by an employee's medical disability that is attributable to pregnancy, childbirth or related medical conditions. It includes leave needed for prenatal care, prenatal complications, and morning sickness.

Employees may take up a maximum of four months (88 work days for a full time employee) of pregnancy disability leave per pregnancy. Medical certification is required, and the length of the pregnancy disability leave will depend on the medical necessity for the leave. An employee shall be entitled to use sick leave, vacation or leave without pay to the cumulative total of four (4) months.

Except where medical circumstances preclude such notice, an employee who plans to take pregnancy leave shall give the City at least thirty (30) days advance notice where practicable, and an estimate of the duration of her absence when such information is available to her.

Pregnancy disability also is a “serious health condition” under the FMLA so that, for employees who qualify for FMLA medical leave, health insurance will continue to be paid by the City for at least a combined total of 12 work weeks in any 12-month period.

The employee shall notify the City at least twenty (20) working days prior to her return from pregnancy leave of her intention to return to work, and provide the City with satisfactory written verification from a physician or other licensed health care practitioner of her ability to return to work.

For additional information about pregnancy leave, see section 12.6.

12.6 **FAMILY AND MEDICAL LEAVE**

Employees are eligible for unpaid leave under the federal Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA). The provisions of this Agreement will be applied in conformance with the provisions of FMLA and the CFRA in effect at the time the leave is granted and in conformance with City policies and practice.

ELIGIBILITY

To be eligible for family care and medical leave, on the date on which leave is to begin, an employee must have been employed by the City for a total of at least 12 months, and have been employed for at least 1,250 hours of service during the previous 12 months.

FAMILY CARE & MEDICAL LEAVE ENTITLEMENT

Subject to the provisions of this Agreement and state and federal law, including the FMLA and CFRA, an eligible employee is entitled to a total of 12 workweeks of unpaid leave during any 12 month period for any one, or more, of the following reasons:

- The birth of a child and to care for the newborn child;
- The placement with the employee of a child for adoption or foster care by the employee;
- To care for the employee’s child, parent, spouse, or registered domestic partner (CFRA only) who has a serious health condition;
- Because of an employee’s own serious health condition that makes the employee unable to perform the functions of the employee’s position, except for disability on account of pregnancy, childbirth, or related medical conditions, which is covered by pregnancy disability leave (CFRA); and
- Because of any qualifying exigency arising out of the fact that the employee’s spouse, son, daughter, or parent is a covered military member on active duty (or has been notified of an impending call or order to active duty) in support of a contingency operation (FMLA).

FAMILY CARE & MEDICAL LEAVE TO CARE FOR A COVERED SERVICE MEMBER WITH A SERVICE INJURY OR ILLNESS

Subject to the provisions of this Agreement and state and federal law, an eligible employee is eligible to take FMLA leave to care for a covered service member with a

serious injury or illness if the employee is the spouse, son, daughter, parent, or next of kin of the service member.

An eligible employee's entitlement is limited to a total of 26 workweeks of leave during a "single 12-month period" to care for a service member with a serious injury or illness. The City shall determine the "single 12-month period" in which the 26-weeks-of-leave-entitlement described in this paragraph occurs using the 12-month period measured forward from the date of the employee's first FMLA leave to care for the covered member begins. During the "single 12-month period" described above, an eligible employee's FMLA leave entitlement is limited to a combined total of 26 workweeks of FMLA leave for any qualifying reason.

PAY STATUS AND BENEFITS DURING FAMILY CARE & MEDICAL LEAVE

Except as provided in this section, the family care and medical leave will be unpaid. The City will, however, continue to provide City contributions toward group health benefits during the period of leave on the same basis as coverage would have been provided had the employee not taken family care and medical leave. The employee will be required to continue to pay the employee's share of monthly premiums payments, if any.

RELATIONSHIP OF FAMILY CARE AND MEDICAL LEAVE TO OTHER LEAVES

Any leave of absence that qualifies as family care and medical leave and is designated by the City as family care and medical leave will be counted as running concurrently with any other paid or unpaid leave to which the employee may be entitled for the same qualifying reason.

Relationship to Pregnancy Disability Leave

The family care and medical leave provided under this section is in addition to any leave taken on account of pregnancy, childbirth, or related medical conditions for which an employee may be qualified under state law.

Employee's Status on Returning from Leave

Except as provided by law, on return from family care and medical leave, an employee is entitled to be returned to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An employee has no right to return to the same position. The leave shall not constitute a break in service for purposes of longevity or seniority under this Agreement or any employee benefit plan. For purposes of layoff, promotion, job assignment, and seniority-related benefits, the employee returning from family care and medical leave shall return with no less seniority than he or she had when the leave began.

Fitness for Duty

As a condition of returning from leave taken because of the employee's own serious health condition, the employee is required to provide the City with certification from the employee's health care provider that the employee is able to resume work and perform the employee's job duties.

12.7 DISABILITY LEAVE

Employees who are unable to work because of injury and/or illness shall be entitled to unpaid leave after paid leave has been exhausted for the duration of the disability. In order to be eligible for such leave, the employee must be eligible for California State Disability Insurance and such leave shall be granted for that same period the employee is eligible for State Disability. If the reason for denial is lack of qualifying quarters, the employee shall still remain eligible for leave as provided herein for the duration of his/her disability.

Employees returning from Disability Leave or Maternity Leave shall be returned to employment with the City in the same classification. Employees returning from such leaves shall return with no loss of seniority or benefits accrued, but not used, prior to the commencement of such leave.

SECTION 13 - INJURY PAY

An employee who first loses time from work as the result of a work related illness or injury shall receive their normal salary for the duration of the disability or forty-five (45) working days whichever is the lesser. If the employee is disabled for a period in excess of forty-five (45) working days, such excess period shall be compensated by paid benefits pursuant to State Workers' Compensation laws. The employee shall be entitled to use accrued sick leave, compensatory time or vacation to supplement such Workers' Compensation benefits. In no case shall the employee be entitled to receive more than 100% of the normal salary.

An employee who has returned to work after a period of disability as the result of an original injury and subsequently loses time from work again as the result of an aggravation of or recurrence of the original injury shall in no case receive their normal salary for a period of time to exceed forty-five (45) working days including those days first lost from work as the result of the original injury.

SECTION 14 - HEALTH PLANS AND LIFE INSURANCE

14.1 FLEXIBLE BENEFIT PLAN

Effective January 1, 1993, pursuant to Section 125, Section 105, Section 106 and Section 129 of the Internal Revenue Code, the City established the City of Piedmont Flexible Benefit Plan to provide taxable and non-taxable benefits to its employees and to permit employees to choose which of the benefits they wish to receive.

The City shall maintain the Flexible Benefit Plan which includes accounts for health care expenses, dependent care expenses and premium contributions. The City may pay the employer contribution toward medical premiums (less the statutorily mandated PEMHCA minimum paid directly to CalPERS) through the Flexible Benefit Plan. The parties understand that the City's use of the Flexible Benefit Plan as a vehicle for its premium contributions does not change the City or employee's contribution to medical insurance premiums as described in this Section 14.

14.2 HOSPITALIZATION AND MEDICAL CARE

Effective January 1, 1997, the City began providing CalPERS medical program benefits to active employees and retirees in accordance with the Public Employees' Medical and Hospital Care Act ("PEMHCA").

14.2.1 Basic City Contribution

For all bargaining unit employees and retirees, the City pays the PEMHCA statutory minimum as determined by CalPERS under Government Code Section 22892.

14.2.2 Supplemental City Contribution

In addition to the basic City contribution, the City shall contribute a supplemental amount toward medical insurance premiums for bargaining unit employees as described below.

The City and bargaining unit employees share the cost of medical insurance premiums. The City's maximum contribution toward the monthly premium costs of an employee's medical benefits is based on the 2013 CalPERS Kaiser Bay Area premiums plus fifty percent (50%) of subsequent annual premium increases for the CalPERS Kaiser Bay Area premiums.

For the 2017 plan year, the City's monthly contributions towards eligible employees' elected medical coverage, inclusive of the basic City contribution of the PEMHCA statutory minimum contribution, are as follows:

- Employee only: \$701.01
- Employee +1: \$1,402.02
- Employee +family \$1,822.63

Each plan year, the City shall adjust its contributions towards the monthly premium costs of an employee's medical benefits by an amount equal to fifty percent (50%) of any increase in the monthly premium rates for the CalPERS Kaiser Bay Area plan at all coverage levels (i.e., employee only, employee + 1 and employee + family). Employees are responsible for the remaining fifty percent (50%) of any premium increases for the CalPERS Kaiser Bay Area plan. Employees selecting medical plans and coverage levels that exceed the City's maximum contribution are responsible for paying the difference through automatic payroll deduction.

14.2.3 Opt-Out Election

An employee who has medical insurance coverage as a result of being an eligible dependent of another City employee, who has medical insurance coverage as an eligible dependent of a person employed elsewhere, or who otherwise has medical insurance coverage, may elect not to participate in the medical insurance plans offered by the City and may elect to receive \$500 per

month in lieu of the amount the City would otherwise contribute for medical insurance for the employee. To elect cash in lieu, the employee must sign a waiver of medical insurance coverage provided by the City and provide proof of medical insurance coverage to Human Resources annually before the end of the open enrollment period.

14.3 RETIREE MEDICAL

14.3.1 Bargaining Unit Employees Hired Before January 1, 2018

For active bargaining unit employees hired before January 1, 2018, or the effective date of the City’s CalPERS contract amendment, whichever is later, who retire from the City while meeting the eligibility requirements for CalPERS retiree health insurance, the City shall pay directly to CalPERS the PEMHCA minimum as determined by CalPERS under Government Code Section 22892. In addition, the City shall make available a Retiree Health Reimbursement Arrangement (HRA). Through the HRA, the City will continue to provide to eligible CalPERS annuitants monthly contributions for medical insurance premiums according to the following formula: (# of years City has contracted w/PEMHCA) x (5%) x (City’s contribution for active employees).

The City’s contribution for annuitants is adjusted annually according to this formula and the annual adjustment to the minimum monthly employer contribution cannot exceed \$100.00. The amount paid by the City on behalf of annuitants and/or their eligible survivors shall increase annually under this formula until the City’s contributions for annuitants and active employees are the same.

For 2017, the City’s contributions for annuitants are as follows:

| Kaiser | Premium: | Total Employer Contribution | % of Premium | Retiree Pays |
|-------------------|------------|-----------------------------|--------------|--------------|
| Employee | \$733.39 | \$733.39 | 100.00% | \$0.00 |
| Employee+ 1 | \$1,466.78 | \$1,267.36 | 86.40% | \$199.42 |
| Employee + Family | \$1,906.81 | \$1,347.26 | 70.66% | \$559.55 |

14.3.2 Effective August 1, 2012, all bargaining unit employees who will be eligible for the retiree medical insurance benefit described in 14.3.1 will have the City reduce their pay by \$50 semi-monthly by payroll deduction and have the City contribute that amount to retiree medical insurance benefits.

14.3.3 Bargaining Unit Employees Hired On or After January 1, 2018

For employees who are hired on or after January 1, 2018 or the effective date of the City’s CalPERS contract amendment, whichever is later, and who retire from the City, the City’s maximum contribution toward CalPERS retiree

medical coverage shall be the PEMHCA minimum contribution as determined by CalPERS under Government Code Section 22892. Bargaining unit employees hired on or after January 1, 2018, are not eligible for the Retiree HRA described in Section 14.3.1.

14.4 DENTAL PLAN

The City shall continue to provide each eligible employee and his/her eligible dependents dental care benefits under a group insurance plan at no cost to the employee. Orthodontic care is included in the group policy, and covers up to 70% of the cost for adults and children (subject to a lifetime maximum of \$5,000 per person).

14.5 VISION PLAN

The City shall continue to provide each eligible employee and his/her eligible dependents vision coverage under a group insurance plan and pay the entire premium cost for all coverage levels (i.e., employee only, employee + 1, and employee + family).

14.6 LIFE INSURANCE

The City shall provide and pay the cost of providing each employee with a group term life insurance policy, in an amount equal to twice the employee's gross annual salary, rounded to the nearest one thousand dollar (\$1,000) increment. The City's payment shall cease upon the employee's separation from City service, but the employee may elect to retain such policy (if a conversion policy is available) at his/her sole expense.

14.7 DISABILITY INSURANCE

The City shall provide at no cost to the employee a salary continuance disability insurance policy that disability benefits equal to sixty (60%) percent of any employee's current gross salary following a sixty (60) day absence due to a non-job related injury or illness.

14.8 FUNERAL BENEFITS

A funeral benefit of \$5,000 shall be provided by the City for death directly related to duty.

14.9 ALTERNATIVE COVERAGE

In the event that it may be possible to provide an alternative hospital/medical, life insurance or dental coverage providing comparable or superior benefits without additional cost to the City or the employees, the City may substitute or add alternate plans and or insurance carriers. The Union will be provided an opportunity to review and discuss with the City such proposed coverage prior to the implementation by the City.

14.10 EMPLOYEE ASSISTANCE PLAN

The City shall provide an employee assistance plan for bargaining unit employees at no cost to the employee.

SECTION 15 - UNIFORMS

The City shall provide each Public Works employee a budgeted allowance of \$900.00 per fiscal year for the purchase of approved uniform items required by the City, and safety and/or rain boots. Each employee may select the uniform items which he/she requires. The uniform items shall be purchased by the City and provided to the employee.

It shall be the employee's responsibility to launder the uniforms and the employee must wear the uniforms during working hours.

Reimbursement for the purchase of safety and/or rain boots shall be contingent upon the employee consulting with, and receiving prior approval from the Department Head as to the boot to be purchased. The purchase receipt shall also be required. Reimbursement shall be provided within ten (10) working days of the submission of the claim for reimbursement. An employee shall not receive uniforms and safety and/or rain boots reimbursement that exceeds a combined total of \$900.00 per fiscal year.

The parties acknowledge that required City uniform items and safety and/or rain boots are not suitable for everyday wear outside working hours, and employees shall wear uniforms only while on duty and traveling to and from City work.

SECTION 16- MISCELLANEOUS STAFFING PROVISIONS

16.1 LAYOFF

Prior to any announcement of layoff, the City shall contact the Union to discuss possible alternatives to layoffs which are mutually agreeable. An employee being laid off shall receive thirty (30) days notice prior to the imposition of his/her layoff. In the event of layoff, employees within the classified service job title affected by layoff shall be laid off in the following order: temporary, probationary, and regular. In the cases where there are two or more regular employees in the class from which the layoff is to be made, such employees shall be laid off in inverse order of seniority in City service.

A laid off employee shall have the right of recall to their former position for a period of one year following the layoff. Said employee must keep the City notified of his/her current address.

16.2 CONTRACTING OUT

The City shall notify the Union of its intent to contract out any bargaining unit work which would result in a reduction in force, where reduction in force is defined as layoff.

SECTION 17 – PROFESSIONAL DEVELOPMENT REIMBURSEMENT

The City shall reimburse an employee for tuition and books for courses of study at an approved and accredited college, junior college, or vocational trade school, in an off-duty status not to exceed One Thousand Five Hundred Dollars (\$1,500.00) per fiscal year if the subject matter content of the course is related to the employee's work assignment, promotional opportunities,

transfer opportunities, or is a course required for the attainment of a degree or certificate program. Additionally, the City encourages and supports staff to pursue professional development training in order to increase their job skills and knowledge for their current positions or advancement opportunities, during non-work hours. A variety of professional development activities can be reimbursed, such as fees for workshops, seminars, or adult school classes.

The employee must submit an application to his/her Department Head giving all information needed for an evaluation of the request. The Department Head shall recommend approval or disapproval and forward the request to the City Administrator whose decision shall be final. The employee's application must have been approved prior to enrolling in the course in order for such employee to be assured of reimbursement. Upon completion of this course, the employee must submit to his/her Department Head a copy of the grade sheet indicating a passing grade, or the certificate indicating attendance, along with the appropriate receipts in order to be eligible for reimbursements.

SECTION 18- GRIEVANCE PROCEDURE

A grievance is defined as a dispute as to the interpretation or application of any provision of this Memorandum of Understanding.

Disciplinary Action as specified in the Personnel Rules shall not be subject to this grievance procedure nor shall any other interpretation or application of the Personnel Rules of the City be subject to this grievance procedure.

Any employee who has a dispute as to the interpretation or application of this Memorandum of Understanding shall discuss the dispute with his or her lowest level supervisor within ten (10) working days of the event giving rise to the grievance or within ten (10) working days of knowledge of the event. In the event the grievant is not satisfied with the decision, the grievant may proceed to the next level of supervision for settlement. In the event the grievant is not satisfied with the decision, the grievance shall be reduced to writing and filed with the employee's Department Head for disposition. Upon request of the Union, the Department Head shall meet with the grievant and/or the Union representative to discuss the grievance. If within ten (10) working days the grievance has not been settled satisfactorily, the grievant may file such grievance with the City Administrator whose decision shall be final.

SECTION 19- SCOPE OF MEMORANDUM OF UNDERSTANDING

Except as otherwise specifically provided herein, this Memorandum of Understanding fully and completely incorporates the understanding of the parties hereto and constitutes the sole and entire understanding between the parties on any and all matters contained herein; provided, however, that nothing herein shall prohibit the parties from changing the terms of this Memorandum by mutual agreement. Any term and condition of employment not modified herein and not contrary to any rule or regulation as specified in the Personnel Rules of the City shall remain in full force and effect during the term of the Memorandum of Understanding.

Except as modified by this MOU, it is understood and agreed that the City retains all of its rights, power and authority to direct, manage, and control the city to the full extent of the law. The

exercise of powers, rights, authority, duties and responsibilities by the City, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms are in conformance with the law.

Any rights, powers, authority, and functions that the City possessed prior to the execution of this MOU are retained by the City except as specifically limited by this MOU.

This Memorandum of Understanding shall supersede all existing memoranda of understanding between the City and the Union.

SECTION 20- SAVINGS CLAUSE

If any provision of this Memorandum of Understanding shall be held invalid by operation of law or by any court of competent jurisdiction, or if compliance with or enforcement of any provision shall be restrained by any tribunal, the remainder of this Memorandum of Understanding shall not be affected thereby, and the parties shall enter into negotiation for the sole purpose of arriving at a mutually satisfactory replacement for such provision.

SECTION 21- LABOR/MANAGEMENT COMMITTEE

It is agreed that a Labor/Management Committee be established to review safety training in the City of Piedmont including meetings to ensure implementation of Confined Space and other requirements as set forth by Cal OSHA for job safety.

SECTION 22- ENACTMENT

It is agreed that the foregoing shall be jointly submitted to the City Council by the City Administrator and the Union for the City Council's consideration and approval by resolution. Upon such approval, this resolution shall supersede and control over conflicting or inconsistent City resolutions, regulations or policies.

SECTION 23- TERM OF MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding shall become effective upon ratification by the City Council and shall remain in full force and effect to and including June 30, 2021.

Signed and entered into this 5th day of March, 2018.
