The rules of privilege as set forth in the Evidence Code shall apply.
6. The Authority shall make a digital recording of the proceedings. At the request of either of the parties, the Authority shall employ a competent court reporter to record the proceedings.

- B. The Authority, while fully committed to providing reasonable accommodation to those employees whose drug or alcohol problem classifies them as handicapped under federal and/or state law, may, for those employees in "safety sensitive" positions as defined in 29 CCR 599.960 et seq. or the parties agree that said positions shall be treated as "safety sensitive" positions, randomly test for drug or alcohol use and for all other employees determine, based upon "reasonable belief or suspicion" as defined in the Housing Authority of the County of San Joaquin Drug and Alcohol Free Workplace Administrative Guidelines ("Workplace Guidelines") to be incorporated into the Personnel Policy as now or hereafter defined, that those employees reasonably believed to be under the influence of alcohol or drugs shall be prevented from engaging in further work, shall be detained for a reasonable time until he/she submits to an alcohol and/or drug analysis and then, if appropriate as determined by Authority management or law enforcement personnel, transported from work site. This governing policy applies to alcohol, illegal drugs and all substances, drugs or medication, whether legal or illegal, which could impair an employee's ability to effectively and safely perform the functions of their particular job. If it is later determined that said employee was under the influence of alcohol and/or drugs, he/she will be subject discipline including termination. Further, the refusal to submit to an alcohol and/or drug analysis, or the refusal to submit to a search of personnel properties if requested by law enforcement personnel, may be considered insubordination and grounds for discipline up to and including termination.
- C. Non-Disciplinary Medical Separation

The Procedures for Non-Disciplinary Medical Separation are as follow:

1. In the event that an employee becomes medically restricted from performing the essential functions of his/her job, the Housing Authority will comply with the requirements under the Workers Compensation Act, Family Medical Leave Act, California Family Rights Act, Pregnancy Disability Leave, and/or any other regulations to the extent they are applicable.
2. In the event the employee has a disability, the Housing Authority will also determine, through the interactive process, whether the employee is able to perform the essential functions of the job, with or without reasonable accommodations. If reasonable accommodation cannot be provided, the Housing Authority will

proceed to the next step.

3. The Housing Authority will process the employee's eligibility for CalPERS disability retirement benefits. If it appears the employee may be eligible, the Housing Authority or the employee will initiate an application with CalPERS. The Housing Authority will not separate the employee because of the medical restriction until it has been determined that the employee is not eligible for CalPERS disability retirement or CalPERS cancels or closes the application for reasons, including but not limited to the employee's ineligibility or refusal to cooperate. If there is no CalPERS eligibility or the application is closed, the Housing Authority will proceed to the next step.
4. The Housing Authority will provide the employee with a non-disciplinary notice of intent to separate, the medically related basis for the separation, and the documents upon which the notice is based. The Housing Authority will provide the employee with an opportunity to respond within five (5) Working Days of receipt of the notice.
5. After the employee has had the opportunity to respond, the Housing Authority will notify the employee of its final decision regarding the separation. In the event of separation for medical reasons, the employee will not have any right of appeal and no right to an appeal hearing.

SECTION 28 CLASSIFICATIONS

- A. New or Modified Classification: In the event a new job classification is established or an existing classification is changed, which is subject to the provisions of this MOU, the Authority shall assign it a salary range on the basis of the relative value of the elements of the new or changed job classification in comparison with the elements of the existing classifications and shall in writing provide the Association with a copy of the description of the new or changed job classification. The Association shall have a thirty (30) day period in which to review and comment on the new or changed job classification.
- B. Review of New or Modified Classification by the Association: During the thirty (30) day period, the President of the Association or designated representative, shall be afforded the opportunity to discuss the new or changed job classification, type of appointment, bargaining unit designation and salary range with the Executive Director or his/her designated representative. If the Association does not request a meeting or file a grievance at Step 3 of the Grievance Procedure during the thirty (30) day period, it shall be deemed to be approved by the Association.
- C. Grievance Resolution: If there is a disagreement with the job classification, type of appointment, bargaining unit designation or the assigned salary range, the Authority will not take any action until all of the provisions of the Grievance Procedure have

been complied with.

- D. Posting of Temporary Positions: The Authority will post all positions, both within and outside of the bargaining unit, for which temporary assignment is proposed to be made. The Authority will consider all internal as well as external qualified candidates for the position.

SECTION 29 LAYOFF AND RECALL

- A. Reduction in Force: Whenever a reduction in the work force becomes necessary, the reduction shall be made by classification. The employee in the reduced classification who has the least seniority shall be first subject to the transfer and/or demotion provisions. Seniority, as defined in Section 22 shall be the governing factor. However, if the Authority decides that such employee may be used in a lower related classification, or equivalent classification, such employee may be transferred and/or demoted to such other classification.
- B. Permanent Employees: No permanent employee shall be laid off within any classification while there are temporary, probationary, part-time, or seasonal employees working in the same classification.
- C. Optional Transfer or Demotion In Lieu of Layoff: In the event an employee is subject to layoff in his/her classification and can reasonably perform duties in a lower or equivalent classification without further training, such employee may, in lieu of layoff, elect a demotion and/or transfer within the Association. If this election is made, the employee shall be demoted and/or transferred to the next lower classification or transferred to an equivalent classification in the normal line of progression. The employee shall be entitled to displace the employee in another classification who has the least seniority, provided, however, that the employee shall not be entitled to displace an employee whose seniority is greater than his/her own. Qualifications for displacing an employee with less seniority in an equivalent classification shall be based upon reliable, reasonably competent paid work experience in a prior position with clearly definable similar duties, including work with other employers as determined by the Authority.
- D. Salary Reduction: Following a layoff in his/her classification, whenever an employee having seniority cannot displace another employee in a position with the same salary range and must, therefore, displace an employee in a position with a lower salary range with a maximum step not lower than the employee's current actual salary, the employee shall be placed on the step in the lower salary range which is equal to the employee's current actual salary. If the employee's current rate of pay is above the maximum in the new range, he/she shall be placed on the top step in the new range. The employee's anniversary date shall not be changed by this action.
- E. Recall to Former Position: When an employee has accepted a position in a lower or

equivalent classification by virtue of these layoff provisions, he/she shall be recalled to his/her former position when a position becomes available, in the reverse order of reduction.

- F. Recall From Reemployment List: An employee laid off by virtue of the preceding provisions shall be placed on a reemployment list that shall be valid for a period of twenty-four (24) months following layoff. Laid off employee(s) shall be offered the first right of refusal, in reverse order of layoff, to any open position for which the employee meets the minimum qualifications. Such offers of employment shall only be made following compliance with Paragraph E.

SECTION 30 CONTINUITY OF SERVICE TO PUBLIC

- A. No Strike: Neither the Association or its members shall at any time call, sanction, assist or engage in any strike, slowdown, or stoppage of the operations of the Authority in serving the public, or honor such action, if any, by non-management employees.
- B. No Lock-Out: During the term of this Agreement, the Authority shall not cause or permit any lockout of its employees.

SECTION 31 ENTIRE AGREEMENT; WAIVER CLAUSE

The parties intend that this MOU sets forth in full the entire understanding of the parties regarding matters set forth herein. Any other prior or existing MOUs by the parties, whether formal or informal, regarding any such matters, are hereby superseded or terminated in their entirety. SECTION 33 EDUCATION, TRAINING AND JOB ENHANCEMENT

- A. Education Reimbursement Fund: The Authority may, at its discretion, establish an

educational reimbursement and job enhancement fund. Employees may seek reimbursement for educational expenses involving career-oriented courses to be taken on the employee's own time. Courses must be approved in advance by the Department Head, who shall take into consideration the relevance of the courses to the employee's job and career possibilities within the Authority. An employee shall make requests for reimbursement upon successful completion of the course work.

B. Maximum Reimbursement: Employees may apply for reimbursement for the following allowable expenses:

- Required Textbooks at 50% of cost

Self-Improvement and Job Enhancement: Employees who enroll in a career related self-improvement class, shall be eligible to be reimbursed Three Hundred Dollars (\$300.00) annually in accordance with the procedures above with approval in advance by the Department Head. The Executive Director or designee must approve all other course work in advance.

D. In-Service Training: The parties recognize the value of in-service training and shall work cooperatively to bring about such training.

E. Training Opportunities: The Authority shall make training opportunities available to all employees covered by this MOU in accordance with the provisions of Paragraph A.

SECTION 34 MISCELLANEOUS PROVISIONS

A. Utilization of Bilingual Skills: While maintaining the policy that clients provide their own translator services, the Authority recognizes that certain employees having bilingual skills are called upon from time to time to perform translator duties. It is further recognized that certain of these employees may be called away from their normal duties to perform translator services. In these cases, where the translator service demands become onerous, regular workload relief may be appropriate.

B. Bilingual Pay: The Authority shall designate certain positions that shall be eligible for bilingual pay. It shall be within the sole discretion of the Authority to determine the requirements for eligibility. Beginning January 1, 2017, and annually thereafter, each department will provide their employees a list of translation opportunities within the department. Initial participation in the Bilingual Pay Program shall be voluntary but the Authority reserves the right to assign an employee to the program as business needs dictate. Voluntary participants agree to participate in the program for a minimum of

one year unless an unusual hardship is presented by the employee, assigned employees will participate as Authority needs dictate. Participants who have successfully completed the testing and review process shall receive a Fifty Dollars (\$50.00) per pay period differential as stipulated in the Authority Bilingual Pay Program. Participants agree to adhere to the Authority Bilingual Pay Program.

- C. Entire MOU: The parties acknowledge that this MOU is the entire MOU concluding all collective bargaining and for the term of this MOU. Except as otherwise provided in this MOU, each party voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter pertaining to or covered by this MOU, notwithstanding any other provisions of law to the contrary.
- D. Severability: If any article or section of this MOU shall be held to be invalid by operation of law, or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any article or section should be restrained by such tribunal, the remainder of the provisions of this MOU shall not be affected thereby and shall remain in full force and effect for the duration of this MOU. Upon notice of such decision, the parties agree to immediately meet for the purpose of renegotiating the invalidated article, section, or portion thereof.
- E. Previous MOUs: The parties intend that this MOU sets forth in full the entire understanding of the parties regarding matters set forth herein. Any other prior or existing MOUs by the parties, whether formal or informal, regarding any such matters, are hereby superseded or terminated in their entirety.
- F. Reimbursement for Property Damage: Employees who through no fault of their own suffer loss or damage to personal property in the course and scope of their assigned official Authority duties may be eligible for reimbursement up to a maximum of Two Hundred Dollars (\$200.00), as follows:
1. All claims must be submitted to the Human Resources Department in writing within three (3) days of the date of loss or damage.
 2. The written claim must include complete details of the loss, including acceptable proof of value of the item lost or damaged. Authority may require investigation prior to consideration of the claim.
 3. No reimbursement for cash losses or losses due to lost or stolen credit cards.

- H. Survival of Terms: Should any portion of this memorandum or any provision herein contained be rendered or declared invalid by reason of any existing or subsequently enacted legislation, or by a court of competent jurisdiction, such invalidation of any portion of this MOU shall not invalidate the remaining portions hereof, and they shall remain in full force and effect. Upon the issuance of such a decision, the parties agree to negotiate a substitute for the invalidated articles, section, or portion thereof, within a reasonable period of time.
- I. Prior Policies: The parties shall agree that prior policies do not change by this MOU shall remain in effect unless amended by the provisions of this MOU. Such policies may be amended pursuant to meet and confer as per Government Code Section 3500 et seq.

SECTION 35 TERM

Upon ratification by all parties, this MOU shall be in effect from the first pay period after October 1, 2021 (except as otherwise specified for a subsequent effective date as to a particular section) through September 30, 2026.
