SECTION 14. UNLAWFUL HARASSMENT

In accordance with State and Federal law, the Employer maintains a policy prohibiting sexual harassment and harassment due to age, disability, race, religious creed, color, national origin, sex, ancestry, marital status, sexual orientation, veteran status, or any other basis protected by

local, state or federal law or ordinance or regulation. All harassment and retaliation based on the foregoing violates the policy.

The Employer shall provide each Employee a copy of its complete Unlawful Harassment Policy, and each Employee is required to comply with it fully. A copy will be provided to the Union. Employees who believe they are victims of unlawful harassment and/or retaliation, or who believe they have observed such should report it directly to the Vice President of Human Resources, the President, or any manager.

SECTION 15. VIOLENCE IN THE WORKPLACE

A. PREVENTION AND OCCURRENCE

The Employer recognizes that workplace violence is a growing concern among employers and employees across the country. The Employer is committed to providing a safe, violence-free workplace and strictly prohibits Employees, clients, YMCA members, visitors, or anyone else on Employer premises or engaging in an Employer-related activity from behaving in a violent or threatening manner.

The Employer believes that prevention of workplace violence begins with recognition and awareness of potential early warning signs and has established procedures for responding to any situation that presents the possibility of violence.

Workplace violence includes:

1. Threats of any kind;
2. Threatening behavior such as intimidation of or attempts to instill fear in others;
3. Physically aggressive or violent behavior, such as fighting, use of weapons or other objects;

All reports of workplace violence will be taken seriously and will be investigated promptly and thoroughly. In all circumstances, the Employer will inform the reporting individual of the results of the investigation. To the extent possible, the Employer will maintain the confidentiality of the reporting Employee. The Employer will not tolerate retaliation of any kind against any Employee who reports workplace violence.

If the Employer determines that workplace violence has occurred, the Employer will take appropriate corrective action and will impose discipline on offending Employees in accordance with the Discipline and Discharge Section of this Agreement. If the violent behavior is that of a non-Employee the Employer will take appropriate corrective action in an attempt to ensure that such behavior is alleviated.

SECTION 16. CHILD ABUSE REPORTING

Upon hire, all Employees will receive a copy of the child abuse prevention policy. The California Penal Code, Section 11166.5 states that if persons in certain child-contacting professions suspect a child, 18 years or younger, has received physical injuries or injury which appear to have been inflicted upon him or her by other than accidental means by any person, or that he or she has been sexually abused, such fact will be reported by the observer by telephone immediately and in writing within thirty-six (36) hours to Child Protective Services (CPS) or the police department in the city of the incident.

If an Employee suspects or has knowledge of child abuse based upon behaviors, physical symptoms or signs, the Employee is required by law to report this immediately to Child Protective Services. Employees are also to report any suspicion of child abuse immediately by sending an "Unusual Incident Report" to Community Care Licensing, as required, with a copy to their direct supervisor. If the direct supervisor is not on duty, the Employee will follow the chain of command up to the next available manager.

In cases where Employees are accused of child abuse the individual will be suspended with pay pending investigation.

Every Employee has a responsibility to maintain and enhance the Employer's public image, and to use all forms of electronic data in an effective, ethical business-related and lawful manner. In no case may any electronic data be used as solicitation for personal business purposes, religious or political causes.

A. COMPUTER SOFTWARE

Employees are strictly prohibited from making and using additional copies of any licensed software that has been purchased by the Employer. This includes copying the software for use on other Association machines. Copyright laws require the purchase of separate copies of licensed software for each workstation or network, where applicable.

The only exceptions are:

The Information Technology Director will keep a single copy for back up purposes only. You may make a permanent transfer of the software to another workstation with the approval of the Information Technology Director.

To ensure proper licensing and to prevent viruses, all software acquisition, whether purchased or downloaded from the Internet, should be coordinated with the Information Technology Director. Additionally, you may not bring a copy of software from home or another place of business and place the software on a workstation. Questions about the use of software should be directed to your Information Technology Director.

B. USE OF DATA

All data stored on computer disks, hard drives and CDs purchased by the Employer is the property of the Employer and may not be used for personal reasons. Confidentiality of all data must be strictly maintained and access is restricted to authorized Employees only, who must use their assigned user identification and password.

C. PROPERTY OWNERSHIP

All Association-provided personal computers, including the Internet and e-mail systems and all software and data on these computers, are the sole property of the Employer. Passwords assigned to each workstation are also the property of the Employer and must be shared with the Information Technology Director and Executive Director upon designation.

The Employer reserves the right to: monitor, access, copy, retrieve and/or read any message and to disclose any message to persons other than the intended recipient, including but not limited to, law enforcement or other third parties if necessary. A message includes any

message, file, or other electronic data created, uploaded, downloaded, sent, received or stored on any Employer owned electronic data system.

No Employee should assume any message is private. Deleted messages continue to be backed up on agency servers and it may be possible to recreate the information without your consent or knowledge. Therefore, it is recommended that highly confidential or sensitive information not be communicated by any means of electronic data.

The Employer may conduct unannounced audits of any workstation to ensure it does not violate any license, contractual agreement, Association policy or any federal, state, county or local law or ordinance. The Employer reserves the right to limit, restrict or extend personal computer privileges and information contained therein.

D. MESSAGE CONTENT

The Employer prohibits use of computers, e-mail and voice mail in ways that are disruptive, offensive to others or harmful to morale. All messages should have content that is consistent with the Association core values of caring, respect, honesty and responsibility. Examples of messages that are offensive include, but are not limited to, sexual comments or images, racial slurs, or other comments or images that would offend someone on the basis of his or her race, color, sex, religion, national origin, sexual orientation, age, disability or any other basis prohibited by law.

The use of cellular phones, earbuds and smartwatches are allowed during break and lunch periods. No cell phones and no earbuds are to be used when staff are with children or on duty.

SECTION 20. DISCIPLINE AND DISCHARGE

A. Managers shall utilize the following progressive discipline/counseling steps when it is determined that the unacceptable performance or conduct can be corrected. These steps are not required in cases of misconduct, including but not limited to the matters set forth in paragraph B of this Section.

Disqualification of Employees from working for the Early Childhood Impact program pursuant to federal, state or local law does not constitute discipline or discharge within the scope of this Agreement.

Step 1: Verbal Counseling: The supervisor or manager meets with the Employee to discuss the observed performance and goals for immediate improvement.

Step 2: Written Warning: If after the verbal counseling session the observed performance does not improve, further action should be taken. - a. State the acceptable performance expectations;
- b. Provide specific examples of performance deficiencies;
- c. State specific time frame for improvement;
- d. State that disciplinary action up to and including termination may be taken if there is no improvement; and
- e. Inform the employee that the continuing deficiency will be documented.

Step 3: Suspension, Termination and/or Demotion: All disciplinary notices, except oral warnings, shall be given to the Employee in writing. If the Employer keeps a written record of an oral warning, the Employee shall receive a copy of such record.

The Employee shall be provided with a space to indicate receipt of the document but not necessarily agreement with its content. All records of such disciplinary nature will be maintained in the Employee's personnel file.

The Employee has a right to Union representation at all levels of the discipline process.

SECTION 21. PERSONNEL FILES

There shall only be one official personnel file which is the property of the Employer and is not subject to public inspection. Every Employee shall have the right to inspect his/her personnel file, as provided by law, in the presence of an Employer representative at a mutually agreed upon time. C. BREAK & MEAL PERIODS

Employees shall be entitled to take one (1) ten (10) minute rest break for each four (4) hours of work performed by such Employee in a workday. Authorized rest period time taken shall be counted as time worked.

Lunch periods are uncompensated and should be taken away from the Employee's work station. Employees will be relieved of all work duties during the lunch period. Generally Employees will take a 30 minute lunch break. Employees may opt for a one hour lunch provided it is approved by their supervisor. Employees who are scheduled to work part-time, for six (6) hours or less during the day, will have the option to waive their meal period, but must have approval to do so from their Supervisor. The waiver must be signed and filed with the Human Resource Department. The Employee's manager will be responsible for approving any changes in the scheduled lunch period.

Employees will not be compensated for their meal breaks unless they are required to work during their breaks. For Employees that by nature of the work prevents them from being relieved of all duty, an "on duty" paid meal break is permitted.

D. OVER-TIME

Over-time work will be the exception, rather than normal practice. Over-time must be approved in advance by the supervisor. Employees will be compensated at a rate equal to one and one-half times their regular rate of pay for over-time hours worked in accordance with applicable state and federal laws and regulations.

Employees must report their exact starting time; time off for lunch; time back from lunch; and the time the Employee stops work. Under California law and federal audit guidelines, the information given must accurately reflect the hours worked by an Employee. Inaccurate time records may ultimately result in serious disciplinary action.

For all other time-off requests and usage, a Personnel Action Form (PAF) must be completed and turned in to your supervisor.

If there is a recall, Employees who are still on the recall list shall be recalled in the inverse order of their layoff, provided they are presently qualified to perform the work in the available job position to which they are recalled.

If an Employee is recalled to a position in a lower rated job classification, he/she shall have the right to return to the job classification he/she held prior to being laid-off if it subsequently becomes available. If an Employee is recalled to a lower rated job classification, the Employee shall have the right to refuse the recall and remain on the layoff list and be eligible for recall. The Employer shall not hire new Employees in bargaining unit positions as long as there are still Employees on the recall list who are presently qualified to perform the work in the affected job classification and are willing to be recalled to said classification; provided that, the Employer may hire a temporary Employee to fill a position in the interim between an Employee's acceptance of recall and his/her actual return to work thereafter.

Employees who are eligible for recall shall be given fourteen (14) calendar days notice of recall, and notice of recall shall be sent to the Employee by certified or registered mail with a copy to the Union; provided that, the Employee must notify the Employer of his/her intention to return within three (3) business days after receiving notice of the recall. The Employer shall be deemed to have fulfilled its obligations by mailing the recall notice by registered mail, return receipt requested, to the mailing address provided by the Employee. 2. Reimbursement of the total cost of meals and lodging for any one day shall be limited to the amount approved by funding sources or agency policies;
3. A cash advance of up to 90% of estimated out-of-pocket meeting and conference expenses may be approved by the Director; and

4. Commercial Air Travel will be by the least expensive class available. Employees desiring to travel by automobile rather than commercial aircraft will not be reimbursed an amount greater than the equivalent least expensive air fare.

The cost of meals, not associated with travel, will not be reimbursed except when the meal is clearly required for the conduct of Early Childhood Impact business, such as committee meetings, conference with consultants, oral boards, and evening meals incurred because of required work.

SECTION 29. SICK LEAVE

Part-time Employees who have 1,000 hours of compensated employment within the twelve month period commencing on the date of employment or re-employment, or any anniversary thereof, and who are absent due to personal illness or accident are entitled to a salary/wage allowance based on length of service at the time the incapacity begins. Medical documentation may be required.

Sick leave will be paid out as a replacement of hours that were scheduled to be worked.

Sick leave balances shall be itemized every payroll cycle and displayed on the Employee's pay stub.

Employees who have reached their maximum earned sick leave allowance will not accrue any more sick leave allowance until their earned sick leave allowance is reduced below their maximum allowance.

Periods of extended sick leave, or prolonged absence (30 consecutive calendar days or more) are not counted toward the earning of sick leave.

Employees are eligible and qualify for State Disability Insurance payments beginning on the eighth (8th) calendar day of absence.

When an Employee is receiving State Disability Insurance (SDI) payments or Worker Compensation payments, s/he may elect to use accrued sick leave to make up the difference between her/his regular rate of pay and the amount s/he are receiving from either of the above agencies. When accrued sick leave is exhausted, at the Employee's option integration may be done with accrued vacation.

Employees may use up to one-half of their yearly sick leave accrual for the purpose of attending to a child, parent or spouse who is ill. Leave for this purpose may not be taken until it has actually accrued.

- For purposes of sick leave use, a "child" is defined as a biological, foster, or adopted child, stepchild or a legal ward. A "child" also may be someone you have accepted the duties and

responsibilities for raising, even if s/he is not your legal child (i.e. child of a domestic partner).

- A “parent” is your biological, foster or adoptive parent, stepparent, or legal guardian.
- A “spouse” is your legal spouse according to the laws or your domestic partner.

All conditions and restrictions placed on an Employee’s use of sick leave apply also to sick leave used for the care of a child, parent, or spouse.

A. COMPUTATION

Sick leave is calculated on the basis of the eligible Employee's continuous employment with any YMCA. Sick leave is accrued from the date of hire and becomes available following three (3) months of employment. Employees adhere to the following schedule:

1. Beginning with the date of hire through the second year of eligibility, eligible part-time Employees will accrue sick leave at the rate of .0333 times actual hours worked during a semi-monthly period. Part-time Employees in Berkeley may accrue up to a maximum of 72 hours. Part-time Employees not working in Berkeley may accrue up to a maximum of 48 hours.
2. Beginning with the third year of eligibility through the fifth year of eligibility, eligible part-time Employees will accrue sick leave at the rate of .0385 times actual hours worked during a semi-monthly period. Part-time Employees in Berkeley may accrue up to a maximum of 72 hours. Part-time Employees not working in Berkeley may accrue up to a maximum of 58 hours.
3. Beginning with the sixth year of eligibility through the tenth year of eligibility, eligible part-time Employees will accrue sick leave at the rate of .0577 times actual hours worked during a semi-monthly period. Part-time Employees may accrue up to a maximum of 87 hours.
4. Beginning with the eleventh year of eligibility, eligible part-time Employees will accrue sick leave at the rate of .0769 times actual hours worked during a semi-monthly period. Part-time Employees may accrue up to a maximum of 116 hours.

B. REDUCTION OF HOURS

If an Employee's hours are reduced after the Employee becomes eligible, s/he will continue to be eligible for the sick leave benefit prorated as described above.

C. TERMINATION

At the time of termination of Employment, an Employee shall have no claim for pay in lieu of unused sick days.

SECTION 30. PAID TIME OFF

Effective July 1, 2021, full-time new hires who are union members hired on or after March 1, 2020 will accrue Paid Time Off (PTO) in lieu of vacation and sick leave. All full-time employees

who are union members will be grandfathered to continue to accrue vacation and sick leave until June 30, 2021.

Effective July 1, 2021, all previously grandfathered full-time employees who are union members will begin to accrue PTO in lieu of vacation and sick leave. All accrued, unused vacation and sick leave hours will be available to use as these hours will be converted to PTO.

Full-time Employees begin to accrue PTO as soon as they are hired, but it becomes available at the end of three months for full-time Employees. Years of service shall be based on the anniversary date of hire.

Years of Service	Accrual Rate	Accrual Max Per Year
0-4 years of employment	0.0577 hours for every hour worked	120 hours
5 or more years of employment	0.1154 hours for every hour worked	240 hour

1. Beginning with the date of hire through the fourth year of eligibility, full-time Employees will accrue PTO at the rate of .0577 times actual hours worked during a semi-monthly period. Full-time Employees may accrue up to a maximum of 120 hours per year. These Employees may have up to 180 maximum PTO hours in their bank.
2. Beginning with the fifth year of eligibility, full-time Employees will accrue PTO at the rate of 0.1154 times actual hours worked during a semi-monthly period. Full-time Employees may accrue up to a maximum of 240 hours. These Employees may have up to 360 maximum PTO hours in their bank.

Whenever possible, Employees should request PTO leave at least 30 days in advance of when the time off is to be taken, so that work schedules can be established or adjusted. PTO requests must be approved by the Employee's manager. In approving the requests, managers need to consider the work load during that time period. Whenever possible, requests should be granted to the first person who requests time off for a particular time period. If situations arise where two Employees request the same time off, managers should grant the request based on seniority. PTO requests shall not be unreasonably denied.

PTO USE FOR FULL YEAR TEACHING STAFF

Twelve (12) month teaching staff will have an option to use their accrued PTO hours during the Winter Break period. If an Employee's total of accrued hours does not cover the amount of hours of program closure, the Employee may request unpaid time off (Time off will be considered personal "leave without pay"). This request must be submitted 2 weeks prior, with written request and approval to provide proper processing to payroll.

Employees who have not used all accrued PTO by the end of the program year shall carry the PTO hours over to the next year. Employees who have reached their maximum earned PTO

allowance will not accrue any more PTO allowance until their earned PTO allowance is reduced below their maximum allowance.

If an Employee's hours are reduced after the Employee becomes eligible, they will continue to be eligible for the PTO benefit prorated as described above. PTO will be paid to Employees not to exceed eight (8) hours a day nor can it exceed the total of accrued PTO hours.

D. PTO FOR SCHOOL YEAR TEACHING STAFF

School year teaching staff do not accrue PTO. Refer to Holidays for School Year Employees.

E. ON CALL AND TEMPORARY EMPLOYEES

On call and temporary Employees are not entitled to PTO.

F. PAYMENT AT TERMINATION

At the termination of employment or retirement, the Employee is paid for earned and unused PTO.

SECTION 31. LEAVES OF ABSENCE

The Employer may consider granting Employees different types of leaves during their employment. The following covers all leaves.

All leaves will be submitted for approval a minimum of 14 days prior to the request and approved by:

1. Immediate Supervisor & Executive Director; and
2. Human Resources.

Employees who are on a leave of absence should not accept employment with another Employer during the duration of the leave. The following specifies the different types of leaves and the applicable policies.

The maximum duration for leave of any type which includes: Non-work related disabilities, and leaves of absence are four (4) months. If an Employee is not able to return to work after this time period, employment with the Employer will be terminated.

During the unpaid leave the Employee will not accrue vacation. While on leave no holiday pay will be paid to the Employee. Upon return from the leave, the Employee's seniority date will be adjusted to reflect the deduction of the time for the unpaid leave.

The Employer will attempt to reinstate an Employee released for partial/restricted duty if the job assignment is available and if the Employee is able safely to perform the essential functions of the job without posing a significant risk of substantial harm to the health or safety of himself/herself or others.

A. TYPES OF LEAVE

1. Personal Leave:

Unpaid leaves for personal reasons, unrelated to reasons specified under the Family & Medical Leave policy, will be approved by the Vice President of Human Resources and will be based on the needs of the business. Any Employee who has completed their introductory employment period can request a personal unpaid leave for a 20 day time period. Such a request must be made in writing and addressed to parties listed above. The written request must provide the duration of and the reason for the requested leave. Within ten (10) workdays of the written request being submitted, the Supervisor and Executive Director will either recommend the leave be granted and forward the request to Human Resources, or deny the request.

In reviewing the leave request management will consider the following factors:

- needs of the business;
- reason for the requested leave;
- staffing needs during the time period of the leave; and
- the length of employment of the person requesting the leave.

An Employee on a personal unpaid leave may continue medical and dental benefits through COBRA. The Employee will pay the full cost of the insurance premium during this time period.

Any extension of the leave must be requested in writing at least 5 working days prior to the end of the leave. Human Resources will immediately decide whether to grant an extension.

2. Bereavement Leave:

Employees who have suffered the loss of a member of their immediate family (i.e., parent/guardian, spouse or live-in partner, grandparent, child, step-child or child of live in partner, brother or sister, mother-in-law or father-in-law or parent of live in partner or any other relative living in the Employee's household, shall be allowed to take three (3) days of paid time off to attend the funeral. Additionally, sick leave, vacation time, floating holiday or unpaid time off may be granted when an Employee needs to take more time, or to attend the funerals of other relatives who are not defined as immediate family members (see list above). Employees who believe that requests under this section have been wrongly denied shall have the right to appeal to the next level of supervision without negative consequences. Bereavement leave must be entered on the time sheet as "personal paid" time, or "personal unpaid" time, with an explanation entered in the comment section.

3. Compassionate Leave:

If an employee exhausts all of their accrued sick leave and accrued vacation days due to a catastrophic illness they may request from the Vice President of Human Resources or Executive Director to institute the donation of accrued sick/vacation day policy. This will allow employees to anonymously donate their accrued sick or accrued vacation days to this employee. This is only applicable to the employee's catastrophic illness (not family members). Examples of catastrophic illness include but are not limited to:

- Incapacity due to a chronic, serious health condition for which treatment may not be effective such as Alzheimer's or the terminal stages of a disease; and/or
- Absences to receive multiple treatments by a health-care provider including recovery from the treatments, such as chemotherapy, radiation, physical therapy for severe arthritis, restorative surgery after an accident and kidney dialysis.

A maximum of six (6) days per request per person can be donated (no more than three (3) sick and three (3) vacation days). Such requests may be made by a co-worker, with the permission of the employee.

Once time is donated, the days are permanently donated to a "bank" for use by employees as determined by the Vice President of Human Resources. The balance of the bank will be available upon request to one person.

4. Jury & Witness Duty Leave:

Employees who are summoned to serve as a juror must immediately provide a copy of the notice to their managers. If an Employee must report for jury duty and is selected as a juror, the Employer will provide up to two weeks of paid time, and then the remainder of the time will be unpaid. Employees are required to get written confirmation from the clerk of the court for each day which they must report for jury duty. During the time when court is not in session, Employees are expected to report to work. Employees must return to work upon early dismissal.

Employees who are subpoenaed to appear in court as a witness, will be granted the time off as unpaid personal time. Employees need to produce a copy of the subpoena and verification from the court when they are called as a witness.

5. Parental Leave for School Visits:

Requests for parental leave for school conferences/activities shall not be unreasonably denied.

6. Statutory Leaves:

The Employer shall administer Family and Medical Leave, Pregnancy Disability Leave and Military Leave in accordance with the requirements of California and federal law.

SECTION 32. HEALTH AND SAFETY

Administering Medicine: The Association is responsible for the well-being of children under its care. Children with medical conditions may represent a challenge for the Association and its staff. Through training and direct observation, the Association will ensure that appropriate staff members can/will demonstrate proper techniques for administering, handling, and storing medication, including the use of any necessary equipment to administer medication. Annual review and training of the most common practices will occur. YMCA employees who are administering medications to children under their care are covered under the Good Samaritan Law. Employees will not be held personally liable. They can be held accountable by the YMCA for their job performance.

Safe Work Environment: The Employer shall provide a safe work environment for all staff. The employer will enforce safety rules that keep employees safe from all participants of the program including verbal and nonverbal threats and any other behavior that suggests a propensity toward violence, which can include belligerent speech, excessive arguing or swearing, sabotage, or threats of sabotage, or a documented pattern of refusal to follow policies and procedures. Staff shall address their concerns to their immediate supervisor. If the immediate supervisor does not respond within 5 working days in a way that is satisfactory to the employee, the employee is free to take their concerns to the next supervisory level without negative consequences.

Participants found to have engaged in repeated threatening behavior toward employees shall be barred from the employer's facilities.

Management has the right to review and make determinations of participant behavior on a case to case basis.

The Parties shall create a safety committee, which can meet quarterly or as needed.

SECTION 33. LABOR/ MANAGEMENT COMMITTEE

The Employer and the Union agree that mutual interests are advanced in a climate of respect, mutuality, and open communication. Therefore, the Parties hereto agree to establish a Joint Labor-Management Committee. The Committee shall not be obligated to meet more than every three (3) months during the normal school year to discuss mutual concerns about the following;

1. Injury prevention and workplace safety issues;
2. Program improvement; and
3. Promoting a healthy work environment.

This shall not either expressly or implicitly result in any obligation to reopen any of the terms of this Agreement or otherwise to bargain with respect to any subject.

Composition of the Committee shall be:

1. Two (2) from the Union; and
2. Two (2) from the Employer.

The meeting will have a rotational Chair to manage the meetings, and a Recording Secretary to document the minutes. The parties shall sign off on a written statement of mutually agreed upon outcomes from each meeting.

SECTION 34. SETTling DISPUTES AND GRIEVANCES

When an Employee or group of Employees feel that they have been unfairly or improperly treated, or that the Agreement has been violated, they shall have the right to file a grievance against the Employer.

For cases where there is no backpay liability, the written grievance must be filed within thirty (30) working days of the occurrence of the incident(s) giving rise to the grievance, or within thirty (30) days of knowledge of the occurrence. For cases in which back pay liability is ongoing, the written grievance must be filed within ten (10) working days of the incident, or knowledge thereof.

All disputes between Employees and management relating to this Agreement shall be settled in the matter described below.

Step 1. Informal Conference. The Grievance will first be discussed by the aggrieved Employee and the supervisor with the Union Representative present. This informal conference shall take place within five (5) business days (M-F) of its request. Every reasonable effort shall be made to resolve the grievance at this step. The supervisor shall give an answer in writing to the aggrieved worker and the Union within five (5) business days (M-F) of the meeting.

Step 2. Written and Formal Conference. If a satisfactory settlement is not reached under Step 1, the Union may within five (5) business days (M-F) thereafter request a meeting with the Branch Executive and his/her agent. The grievance shall be put in writing and the grievant or grievants and the Union Steward and Union Representative shall attend. This formal conference shall be scheduled by agreement between the Employer and the Union, but the Union may require that this meeting be held no more than five (5) business days (M-F) after the written decision of the supervisor in Step 1 has been received by the Union. The decision of the Employer following this meeting shall be written by the Branch Executive or his/her agent and delivered to the affected Employees and the Union officials within five (5) business days (M-F) of the meeting.

Step 3. Written and Formal Conference. If a satisfactory settlement is not reached under Step 2, the Union may within five (5) business days (M-F) thereafter request a meeting with the President/CEO of the YMCA of the East Bay and/or his/her agent

the Vice President of Human Resources. The grievance shall be put in writing and the grievant or grievants and the Shop Steward or the Union Representative shall attend. This formal conference shall be scheduled by agreement between the Employer and the Union, but the Union may require that this meeting be held no more than five (5) business days (M-F) after the written decision of the Branch Executive in Step 2 has been received by the Union. The decision of the Employer following this meeting shall be written by the President/CEO or his/her agent and delivered to the affected Employees and the Union officials within five (5) business days (M-F) of the meeting.

Step 4 Adjustment Board and Arbitration. If satisfactory settlement is not reached under Step 3, the Union may request the convening of an adjustment board.

The Board of Adjustment shall consist of two (2) persons chosen by the Employer and two (2) persons chosen by the Union and these four (4) persons shall meet within ten (10) consecutive business days (M-F) of such notification or request for adjustment.

The Board of Adjustment shall review all the facts in the case before it, and its decision shall be by majority vote. Its decision shall be rendered in writing and a copy shall be furnished to the Employer and to the Union within five (5) business days (M-F).

In the event that any matter submitted to the Board of Adjustment cannot be settled within five (5) business days (M-F), time may be extended by mutual agreement with the parties hereto, or the issue in dispute may be submitted to an impartial arbitrator who shall be selected by the parties hereto from lists presented by the Employer and the Union. In the event arbitration is resorted to, then the cost of arbitration shall be borne equally by the Employer and the Union. The decision of the arbitrator so selected shall be in writing, a copy of which shall be furnished to the Employer and the Union, and shall be binding upon the Parties hereto. The arbitrator shall not have the power to enlarge, vary or alter the terms of this Agreement.

SECTION 35. NO STRIKE OR LOCKOUT

A. NO STRIKE

During the term of this Agreement or any extension thereof, neither the Union, its members or any Employee, directly or indirectly, will call, sanction or participate in any strike, stoppage of work, slowdown or any other interference or interruption of the work or function of the Employer, whether or not the cause thereof is subject to arbitration. If such action occurs, the Union shall make a reasonable effort (oral and/or written notices) to terminate such action. Any employee engaged in such action shall not be entitled to any benefits that occur or accrue during that term and shall be subject to discipline or discharge at Employer's sole discretion.

B. NO LOCKOUT

During the term of this Agreement, or any extension thereof, the Employer will not commence or continue a lockout of its employees.

C. EXPEDITED ARBITRATION

In the event of an alleged violation of Section 33.A of this Agreement arising out of a matter not subject to resolution pursuant to the grievance and arbitration procedures set forth in Section 32 of this Agreement, the Employer may institute expedited arbitration proceedings regarding such alleged violation by delivering written or telegraphic notice thereof to the Union and to the American Arbitration Association. Immediately upon receipt of such written or telegraphic notice, the American Arbitration Association shall appoint an arbitrator to hear the matter. The arbitrator shall determine the time and place of the hearing, give telegraphic notice thereof, and hold the hearing within twenty-four (24) hours after his/her appointment. The fee and other expenses of the arbitrator in connection with this expedited arbitration proceeding shall be shared equally by the Employer and the Union. The failure of either party to attend the hearing, as scheduled and noticed by the arbitrator, without good cause, as determined by the arbitrator, or the failure of any nonparty witness to attend such hearing for any reason, shall not delay the hearing, and the arbitrator shall proceed to take evidence and issue an award and order as though such party or witness were present. The sole issue at the hearing shall be whether a violation of Section 33.A of this Agreement has occurred or is occurring, and the arbitrator shall not consider any matter justifying, explaining or mitigating such violation. If the arbitrator finds that a violation of Section 33.A of this Agreement is occurring or has occurred, he/she shall issue a cease and desist order with respect to such violation. The arbitrator's written opinion, award and order shall be issued within twenty-four (24) hours after the close of the hearing. Such award and order shall be final and binding on the Employer and the Union.

SECTION 36. SUBCONTRACTING

The Employer shall not subcontract work normally performed by bargaining unit members, except for special projects which cannot be staffed by Employees, emergency situations and when no On-Call Employees are available to perform the work.

SECTION 37. ZIPPER CLAUSE

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the Parties after the exercise of that right and opportunity, are set forth in this Agreement. Therefore, the Association and the Union, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees

that the other shall not be obligated to bargain collectively with respect to any subject or matter which the National Labor Relations Act imposes an obligation to bargain.

SECTION 38. SCOPE OF AGREEMENT

This Agreement shall be in effect from July 1, 2023 and shall be effective up to and including through June 30, 2028, unless at least ninety (90) days prior to June 30, 2028, either party gives written notice to the other of its desire to terminate or make changes in this Agreement.

Separability: If any term or provision of this Agreement is, at any time during the life of this Agreement, adjudged by a court or administrative body of competent jurisdiction to be in conflict with any law, such term or provision shall become invalid and unenforceable, but such invalidity or unenforceability shall not impair or affect any other term or provision of this Agreement.

Wage and Health Reopener:

1. The Employer and the Union agree to a Wage and Health reopener at the end of the third year (July 1, 2026) of this Agreement to consider and mutually agree on any changes.
2. The parties agree to meet in May of each year of the length of the agreement to review health plan designs and options. Any changes shall be made by mutual agreement. Additionally, the parties will negotiate regarding medical contributions for the plan year, which begins in July.

IN WITNESS THEREOF, the parties hereto have set their hands and seals this 28th day of June, 2023, in the City of Emeryville, State of California.
